Brothers and Sisters,

Happy New Year -- I hope this communication finds you and your families healthy and well.

I'm writing to remind you of tomorrow's Local One meeting (January 20, 2021). At today's Executive Board meeting, it was decided that TOMORROW will be our first in-person meeting back at the Local One Union Hall. The meeting will begin at 6:00pm ET.

We look forward to seeing you all; however, please keep in mind that we will be following CDC guidelines. Masks will be required, so please plan to enter the meeting wearing yours.

Also, should you feel more comfortable not attending the meeting and, rather, participating virtually, that is absolutely fine. We will host a live-stream of tomorrow's meeting for those of you who cannot or choose not to join us.

At some point prior to tomorrow's meeting, you will receive a text message that includes an access link. As in previous meetings, there will be time at the end of our meeting for your questions to be addressed. You can send those questions and concerns to the following email address: localonecovid19@gmail.com.

On behalf of myself, the Executive Board, our officers, and our organizers, we look forward to seeing all of you tomorrow.

God Bless – Stay Interested, Involved, and Informed,

Lenny
