Brothers and Sisters,

Sending well wishes to you and your loved ones this St. Patrick's Day!

Though celebrations surely won't look the same this year, on behalf of the executive board and officers of Local One, I hope each of you -- and especially our Irish members -- are able to celebrate the holiday safely.

I would be seriously remiss if I failed to mention this year's raise -- you all have worked long and hard for this bump in pay, and I'm happy to report that this year's raise took effect today. The past year or so has been a difficult time for many folks, and I hope this raise does some good for the men and women of this union.

As for this month's Local One meeting, it is scheduled for ****TOMORROW**** (Thursday, March 18) at 7:00pm.

A text message that includes a link to access said meeting will go out to members tomorrow. As always, your questions and feedback are welcome. Anything that you'd like to be addressed during tomorrow's live-stream should be emailed to localonecovid19@gmail.com.

I look forward to speaking with you tomorrow evening. Again, have a wonderful St. Patrick's Day -- and, as always, please work safe and be well.

God Bless – Stay Interested, Involved, and Informed,

Lenny
