Brothers and Sisters,

Hope you and your families are doing well and spending some time outside enjoying the warm weather.

This month's Local One meeting will take place on Thursday, June 17 at 7:00pm.

It is the hope of myself, the Executive Board, and our union officers that after summer break, as of September 2021, our union will return to in-person meetings. That said, in the interest of our members' health and safety, this week's meeting will be another virtual one.

Local One members will receive a text message on Thursday that includes a link to access the live stream. If you have any questions that you would like addressed during Thursday's meeting, please email those to: localonecovid19@gmail.com

With Summer 2021 just around the corner, I know many of you are looking forward to having some fun with your families and loved ones -- please enjoy yourselves and stay safe.

I look forward to speaking with you later this week. In the meantime, please focus on working safe and staying healthy.

God Bless – Stay Interested, Involved, and Informed,

Lenny
