Amount Requested

I hereby apply for a loan in the amount of \$ _____, under the Rules and Regulations of the Elevator Constructors Union Local No. 1 Annuity and 401(k) Fund. I understand that the loan (together with any other outstanding loans) may not exceed the lesser of (1) 50% of the present value of my Individual Annuity Account or (2) \$50,000 (reduced by the excess, if any, of the highest outstanding balance of loans from the Plan to me during the 12-month period ending on the day before the loan is made, over the current outstanding balance of loans from the Plan to me on the day on which the loan is made).

I understand that in order to receive the loan, I must execute a promissory note to the Trustees of the Plan and that the repayment of the loan is subject to the terms of such promissory note. I understand that, as collateral security for the repayment of the loan, the Trustees will have a lien upon my Annuity Share for the amount of any outstanding loan(s) and accrued interest, and in the event of default, the

Trustees will have the right to enforce their lien upon my Annuity Share for the amount of such outstanding loan(s) and accrued interest, plus any court costs and reasonable attorney's fees in any action to collect the debt, prior to any distribution from my Individual Annuity Account. Further, I understand that If I fail to timely repay the loan and any accrued interest on a quarterly basis by the applicable due date and grace period, I will be considered to be in default, and at the time of default, the entire outstanding loan balance and all accrued interest will become immediately due and payable without any demand or notice and subject to income tax (and penalty taxes, if applicable).

I understand that the loan and accrued interest are to be repaid entirely within a maximum of five (5) years from the date of making the loan, in quarterly installments of not less than 5% of the initial sum of the loan plus interest. I understand that my failure to repay the loan in accordance with the terms of the promissory note may result in my being unable to receive any further loans from the Plan until such time as proper repayment has been made. I agree to abide by the terms and conditions of the loan as set forth above and within the Plan document and promissory note.

IMPORTANT NOTICE REGARDING INCOME TAXES: Loan amounts may be subject to federal, state and local income taxes and penalties as follows:

If you fail to timely repay the loan and any accrued interest as billed on a quarterly basis by the applicable due date and your loan is defaulted, the entire outstanding loan balance and accrued interest will be "deemed" distributed for tax purposes and will be reported to the IRS on Form 1099-R and subject to income taxes. In addition, if your Annuity Share is reduced ("offset") to repay any outstanding loan balance, the loan offset amount will be treated as an actual distribution to you at the time of the offset and will be taxed unless you rollover the amount of the loan offset within 60 days of the distribution. An additional 10% penalty tax will apply if you have not attained age 59½ at the time of the default.

I hereby attest that each of the statements made or selected above is true and correct.

I understand that my spouse is a Participant in the Elevator Constructors Union Local No. 1 Annuity and 401(k) Fund. I have been informed that my spouse's Individual Annuity Account under the Fund is now approximately \$_____. I understand that my spouse has applied for a loan from his/her Individual Annuity Account in the amount of \$_____ in order to pay expenses in connection with his/her disability.

I understand that my spouse will not be able to receive the loan he/she is applying for unless I consent to it. I understand that if this loan is granted, the loan will be a lien against my spouse's Individual Annuity Account until the loan, including all accrued interest, is paid in full.

I understand that if I do not consent to the loan, nor later consent to another form of payment for my spouse's Individual Annuity Account benefits under the Fund, the amount my spouse would like to receive now as a loan, along with my spouse's other benefits in his/her Individual Annuity Account under the Fund would be paid as a monthly annuity for my spouse's life and, if my spouse dies before I do, with payments equal to 50% of the payments my spouse was receiving being paid to me for the rest of my life. This is called a Qualified Joint and Survivor Annuity or "QJSA." The amount of these QJSA payments will depend upon the amount in my spouse's Individual Annuity Account in the Fund, less the amount of any outstanding loans (including accrued interest) against my spouse's Individual Annuity Account immediately prior to the start of distribution of my spouse's Individual Annuity Account benefits. I understand that this means that if my spouse takes a loan against the Individual Annuity Account and does not repay in full to the Fund the amount of the loan and accrued interest immediately prior to the time my spouse begins to receive his/her Individual Annuity Account benefits, the amount of the monthly QJSA payment which would otherwise be payable to my spouse and/or me will be reduced or even entirely eliminated.

I also understand that if I do not consent to the loan, nor later consent (or have previously consented) to the designation of a beneficiary for all or part of my spouse's Individual Annuity Account benefits under the Fund other than me, the amount that my spouse would like to receive now as a loan, along with my spouse's other benefits in his/her Individual Annuity Account under the Fund, would be paid to me as a death benefit in the event my spouse dies before commencing payment and a death benefit is payable under the terms of the Plan, with payments being in the form of a monthly annuity for the rest of my life or in some other form permitted under the Fund which I might elect. I also understand that, because the loan is a lien against my spouse's Individual Annuity Account, any such lien will also reduce or eliminate the amount payable to me or, if I consent to the designation of a beneficiary for all or part of my spouse's benefits under the Fund other than me, such beneficiary, in the event that my spouse dies before beginning to receive benefits from the Fund. I understand that the amount of the reduction may be substantial, depending upon the amount of the loan, the accrued interest upon the loan, and the extent to which the loan has not been repaid prior to my spouse's death.

I understand that loan amounts may be subject to federal, state and local income taxes and penalties. I also understand that if my spouse is not 59½ or older when my spouse receives a loan-related distribution, there may also be an additional 10% penalty tax.

I understand that under federal law and the rules of the Fund, I have at least 30 days from the date I receive this Consent to decide whether to consent to my spouse's loan. I understand that I may waive my right to the 30-day period by checking the appropriate box below, and if I do so, the withdrawal may not be made earlier than 7 days after I receive this Consent form.

I HEREBY WAIVE my right to take the full 30 days to make my decision, and I HEREBY CONSENT to the loan before the end of the 30 days. I understand that I may revoke my waiver and consent at any time during the 7-day period which began when I received this form.
