

10/20/2021

Brothers and Sisters,

I hope this communication finds you and your families well. I'm writing to follow up on this month's Local One meeting.

While we'd hoped to do an in-person meeting this month, yesterday evening (10/19), the Executive Board voted unanimously to continue live-streaming our meetings until January 2022. As always, your health, and the health of each of your families, is our top priority. That said, we will revisit the idea of beginning in-person meetings in just a few months.

The month's meeting, as I mentioned in my last communication, will take place on Thursday, October 21, 2021. A text message will go out prior to Thursday's meeting that will include a link to access said meeting.

If you have any questions that you'd like addressed during Thursday's live-stream, please send them to the following email address: [localonecovid19@gmail.com](mailto:localonecovid19@gmail.com). We will respond to your inquiries during the meeting as we have during previous virtual meetings.

Finally, I've said it before, and I'll say it again...

I look forward to seeing you all in person soon. I look forward to shaking your hands and joining together at the Local One Union Hall. Until then, brothers and sisters, please work safe and stay healthy.

God Bless – Stay Interested, Involved, and Informed,

Lenny
