

March 15, 2022

Brothers and Sisters,

I hope this finds you and your families safe and well. The next union meeting will be tomorrow (Wednesday), March 16th and it will be a hybrid meeting (in-person meeting and virtual broadcast). The meeting will begin at 6:00pm ET.

There will be a live stream of the meeting for those who cannot or choose not to join us. Unless there are unforeseen circumstances, this will be the last meeting that will be held virtually. All meetings will be in person going forward.

At some point prior to the meeting tomorrow, you will receive a text message that includes an access link.

On behalf of myself, the Executive Board, our officers, and our organizers, we look forward to seeing all of you tomorrow.

Happy St. Patrick's Day – Stay Interested, Involved, and Informed,

Lenny

President and Business Manager
