Brothers and Sisters,

I hope this finds you and your families safe and well. The next union meeting will be Thursday, April 21st at 6:00PM ET. This will be an in-person meeting in Long Island City. We will not have a Livestream available.

In an effort increase member participation; we have setup our Perth Amboy office to serve as a satellite location. We will have Officers in Perth Amboy. Video and audio will be shared between Perth Amboy and Long Island City locations only. Questions and comments can be addressed from either location.

On behalf of myself, the Executive Board, our officers, and our organizers, we look forward to seeing all of you on Thursday.

Stay Interested, Involved, and Informed,

Lenny
